A Little Bit About Us...

Since 1988, Tommy’s has been owned and operated by the Foteh family. With the hard work and determination set forth between a father and his sons, Tommy’s later became the success that it is today. Over the years, the Tommy’s name eventually took off and expanded into the Houston metropolitan area. With the success of Tommy’s, high hopes and dreams began. It is learned that exceptional quality and great service leads to amazing success. After all, Tommy’s has been awarded “Houston’s Best Burger” several times.

Through the years, Ed Foteh, owner and operator of Tommy’s Grill & Cafe, has aimed at welcoming customers to experience quality food and service.
